

Art installations

Stumbling Blocks, a series of pop-up art installations planned for Central, North and Medical campuses during the week of April 3-8, aims to better understand missteps from the university's past. The displays will be "prominent and provocative."

1. **Fleming Building** Quantifying the Role of Staff
2. **Michigan Union** Equity for Woman and Gender on Campus
3. **Angell Hall** Student Protest
4. **Ingalls Mall** Native Americans Michigan's Foundation
5. **The Diag** Remembering Students Missing After Proposal 2
6. **Michigan Memorial Phoenix Project** Remaking Nuclear Research
7. **Kresge Park** New Approaches to the Ethics of Biomedical Research
